

## Application Procedure **Master's program International Media Cultural Work** for international applicants

Hochschule Darmstadt is a member university within the uni-assist association. Upon payment of a service fee, uni-assist pre-checks whether applicants are formally entitled to study in Germany based upon the guidelines of the German Central Office for Foreign Education (Zentralstelle für ausländisches Bildungswesen, ZaB) and whether your application is complete and the application documents meet our requirements for admission.

Please register in the uni-assist online portal! Create your application form and then send this to uni-assist electronically. Once this is done, please print it out, sign it and send the signed form in paper form to uni-assist along with the following documents - officially authenticated copies and sworn translations -

**Application closing date for a winter semester is 1 June**

**Application closing date for a summer semester is 1 December**

Please send the following documents - officially authenticated copies and sworn translations - to:

Hochschule Darmstadt  
c/o uni-assist e. V.

1. Your School leaving certificate. Normally a completed Bachelor's degree is sufficient; however there are many cases where a secondary school certificate will still play an important role in the evaluation of your entitlement to study in Germany. It is impossible to tell in advance if your secondary school certificate will be required, this can only be determined during the application process. If the secondary school certificate is missing from your application, your application will be rejected.
2. Your Bachelor's degree in a related subject from a recognized university. 'Recognized' means that the university must be accredited according to the laws and regulations of the country in which it is based.
3. The transcript of records/diploma supplement for all study years (precondition is a full-time study program)
4. Copy of your passport

Additional documents to submit:

- a) a detailed curriculum vitae (table form) in English
- b) a personal statement in English, which substantiates the personal interest in this master's program (max. 1800 char. incl. spaces);
- c) a brief exposé about a project in the targeted field of research and development (max. 1800 char. Incl. spaces) in English; and
- d) if available, record of practical experience (employers' references, recommendation letters, awards, and prizes)

If all application documents are complete we will forward the documents to the Faculty of Media. The assessment of aptitude is given if the applicant has reached 80 points or more.
